Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks (Department). In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

LAKE BALBOA PARK - NORTH SIDE OF LAKE AND LOT 3 (LIFEGUARD LOT)

- **Ok to film at Lake Balboa on the north side of the lake.**
- **Ok to crew park in Overflow lot.**
- **Ok to park 1 motor home in lot 3.**
- **Ok to park 20 crew vehicles in lot 3.**
- **Ok to have a picture ice cream truck by lakeside.**
- **Picture ice cream truck may take up 5 parking spaces.**
- **All vehicles must be parked legally in lot 3.**
- **Any additional vehicles and trucks must park in overflow lot.**
- **May not enter the lake without signed form from PFO and must provide their own life safety staff or lifeguard. City lifeguards are not for hire.**
- **Ok for standard 2 minute IPC while the camera is rolling.**
- **Ok to park in the parking lot closest to the film location in lot 3.**
- **May not block or restrict access into the parking lot.**
- **Company must use caution for patrons while offloading equipment.**
- **No vehicles or set up allowed on walking/bike paths.**
- **Must maintain public access on walking/bike paths.**
- **Use of City utilities (water and electricity) is $75 per use, per day and the company will be invoiced by the Park Film Office.**
- **Security guards must be posted at the main entrance at sunset when the park closes to allow the production company access until they have wrapped.**
- **Must use water barrels, sand bags, or concrete slabs to secure tent set up. Staking is prohibited.**
- **Company does not have exclusive use of anyone area of the park and must work around park and maintenance activities.**
- **Ok for up to 2 minute IPC on the walking/bike paths while camera is rolling only.**
- **Must use caution for bicyclist using bike path and walkers and dogs on the walking path.**
- **Drivers must use caution for pedestrians while driving in and out of the overflow lot or paved parking lot.**

NOT A PERMIT

- **Company may not double park any vehicles along the main road and may not interfere with pedestrian or vehicular traffic.**
- **No vehicles are allowed to be parked on the bike path.**
- **May not stage equipment along the walking/bike paths.**
- **Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.**
- **Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.**
- **Nudity is prohibited and not allowed in any Recreation and Parks facility.**
- **Film permits do not provide exclusive use of a park or recreation area.**
- **Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.**
- **A 20 Foot unobstructed lane must be maintained between parked vehicles/trailers in all parking lots and Recreation and Parks roadways for emergency vehicle access.**
- **Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.**
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between Permitee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permitee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.
- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permitee there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not allowed depending on weather and location conditions. Failure to comply with the smoking restrictions may result in a fine.
